I purchased the first of these books eighteen years ago and made it my address book it has been extremely useful and very good value however it was starting to look the worse for wear and a great number of the entries were out of date or had been altered over the years so that it was not easy to read, and so I have replaced it with the same again.

Amazon.co.uk: a5 address book

Remember the names and places that matter with beautiful address books. The address book has been the staple of old-school home desks for generations. The connections we build over a lifetime can become overwhelming as the years and faces streak by, yet an address book that is well made and distinctively beautiful offers the means to keep all ...
