### **Gearbox change in nissan xtrail**

Hi guys, just got the X Trail back and the auto electrician said the best way to go about it was to recondition the starter motor. Cost \$286. He said there was sand in it which is fair enough after having a flywheel replaced due to an ill-fated trip to Fraser and getting seriously bogged - leaving the motor running for the aircon for the kids and sand getting sucked into the bellhousing like a ...

### **2020 Nissan X-Trail Review | Top Gear**

I too had a issue with my partner's 2002 Nissan X-Trail after moving it from the garage to the lawn, it would not start ,so after looking at the tips here,I removed fuses for the fuel pump and replaced them then I put my foot flat on the accelerator and started the engine after about a minute the car

started, so cheers everyone for the great tips it is greatly appreciated.
