Analytical Perspectives | The White House

to be placed in a proper historical and analytical perspective. The American economy appears to have experienced major merger waves in earlier eras; the 1980s are not the first such period. A better comprehension of the basic forces motivating mergers and acquisitions may help us understand why they occur more frequently at some times than others.

Introduction. Be careful. This article doesn't teach you what to think. It teaches you how to think.. More than anything else, an analytical approach is the use of an appropriate process to break a problem down into the smaller pieces necessary to solve it. Each piece becomes a smaller and easier problem to solve.
