Voyager: Architects of Infinity - Star Trek News

Architects of Infinity is exactly the kind of story that Star Trek is uniquely suited for – a classic tale of exploration that illuminates the wonder of scientific discovery. While it does not obviously advance some of the major storylines from the previous book, particularly as it relates to Voyager’s reintroduction to the Krenim, it does give us a lot to chew on – and a shocking ...

Architects of Infinity | Memory Alpha | Fandom

Architects of Infinity was a great continuation to, and in the spirit of, the best of Star Trek. A planetoid is found and on it's surface evidence of advannced technology and a hereto-forth new element. Rather than their usual quick research, the Full Circle fleet decides a lengthy study/shore-leave is in order.
