Summary: This volume features a greater emphasis on the molecular view of physical chemistry and a move away from classical thermodynamics. It offers greater explanation and support in mathematics which remains an intrinsic part of physical chemistry.

PHYSICAL CHEMISTRY- [PETER ATKINS] ~ BEST IITJEE ...

Atkins book is just such a noble work. Rare is it to find a technical text that reads more like a novel, but Atkins does. Not only is the topic fascinating on its own (mostly the physics of molecules), but Atkins raises it to the level of riveting. In those far off years of the university experience for this

Physical Chemistry by Peter Atkins

Is it just me or do other people think the atkins physical chemistry book is absolutely detrimental for undergraduates? Unless one is sound in their physics, chemistry, and math and the student is using the book as a means to find out other perspectives on chemistry issues, atkins is not interested in teaching introductory methods to solve problems.
