It was almost midnight on Christmas day, 1983, and Dennis Wilson's head was a bloody mess. The thirty-nine-year-old Beach Boy had been beaten up by a male friend of his estranged wife ...

Technology | The Guardian

They say that good things come to those who wait. In that case, these games are going to be pretty darn spectacular. Multi-year development cycles are pretty common in the video game industry — games are hard to make, after all, and creating a truly great game takes a lot of time — but fans have been looking forward to the following titles for quite a while.
