### **Intercourse and Crosscurrents in the Atlantic World**

What are the intersections and intimacies between, say, the Black Atlantic and Indian Ocean? How might crosscurrents of migration, labor, and colonial histories expand our understandings of race, empire, religion, and trade? Elaborating on the work of Edward Said and Stephanie Camp, this panel examines the movements of people, goods, and ...

Atlantic world improved the fortunes of all its neighbouring peoples. True, the very title of Intercourse and Crosscurrents in the Atlantic World may sound so banal and vast as to invite skepticism about its standing as a work of serious scholarship. To allay such doubts, we have made the study more con-

about Phyllis Whitley's accomplishments. Considering the fact that she was a slave and was still able to attain great education enough to create a line of poems that lead to her success is compelling. Whitley's achievements are very inspiring because she used her educational assets to act on her passion of poetry.
