Hi Guys, I was referred to this forum as the place to come for experts in the field. :-) I am building an Aquarius 32 with Cosmopolitan homes in Sydney. I have been going through the tender and wondered if anyone has had any experience, good or bad, with the included 'Platinum Portfolio' Alarm system, the DSC PC1565. They include the following: 1 x DSC

How to Replace the Battery in Your DSC PC1555 Home Security

# Read PDF Dsc Classic Pc1565 Alarm System Manual

System. If the power in your home goes out, the security system will shut down if the battery is below the operating level. When the power in the home is restored, the panel recharges the battery. However, if the warning remains on the display more than 48 hours after the power is restored, the battery needs to be replaced.
