Indeed the European Community's original legal system was intentionally designed to have very limited monitoring and enforcement capabilities. The European Court of Justice transformed the original system through bold and controversial legal decisions declaring the direct effect and supremacy of European law over national law.

## **Karen Alter - Wikipedia**

The legal doctrine of supremacy of EU law means that EU labour law takes precedence over domestic labour law. The creation of a new legal order of EU law and its supremacy means that EU institutions may create rules affecting employment and industrial relations, even where some Member States oppose such rules and vote against them in those EU institutions, provided that a voting procedure ...

## **Establishing The Supremacy Of European**

The most effective international legal system in the world exists in Europe. It works much like a domestic system, where violations of the law are brought to court, legal decisions are respected, and the autonomous influence of law and legal rulings extends into the political process itself. The European legal system was not always so effective at influencing state behaviour and compelling ...
