# Choosing a Career When You're Interested in Everything

Of course, you can't find time to do everything you want in life if you're squandering the precious little time that you do have. Time is the most valuable commodity because we can't make more of

it. In fact, time is far more valuable than money. You can make and lose money easily, but you can't make more time.

# What do you do when you want to do everything? | Psychologies

It's simple—people are happier when they get to go into work every day and do what they were meant to do. The trick is figuring out what your calling is. The first step in that process is thinking about what makes a dull task more bearable for you.

Scientists and musicians tend to be divers. Divers usually stick to one profession, sometimes even just one hobby, for life. They like to focus deeply, and feel comfortable when they are in control.

However, you can also be a diver in one field, say a career, yet still indulge in "hit and run obsessions" outside work.
