about eye magazine Eye, the international review of graphic design Eye is a quarterly print magazine for everyone involved in graphic design and visual culture.

Eye (magazine) - Wikipedia

Eye Magazine was put out by the Hearst Corporation in the 1960s as their take on youth culture. It is unintentionally hilarious, with many silly articles like what car is for you according to your astrological sign. It's a large format (10.5" x 13.5") like Life Magazine was.
