Diagnosis. If you go to a doctor for burn treatment, he or she will assess the severity of your burn by examining your skin. He or she may recommend that you be transferred to a burn center if your burn covers more than 10 percent of your total body surface area, is very deep, is on the face, feet or groin, or meets other criteria established by the American Burn Association.

Fatal Burn

"Fatal Burn" follows the typical Jackson plot and you can pretty much see the ending from the first page. In this story she does try to throw in some twists at the end, but they felt so contrived and out of left field that they I seem to be attracted to Lisa Jackson's books the same way a passerby is to a burning building or a horrific traffic accident.
