### Ford Cortina - Wikipedia

Part of what had made the MkI Cortina so successful was the product planning and cost controls that had been initiated by Terry (later Sir Terrence) Beckett, then Ford's Director of Car Division. In order to maximise company profits every single part had been strictly costed, it was no different for the MkII.

1967 Ford Cortina MkII. Ford's tilt at a competition-focussed Cortina had very big shoes to fill, since the MkI had been such a monumental success, despite some initial reliability issue. For a mix of reasons, this car had a much closer Ford involvement than the first, which meant that if nothing else it was going to be reliable.

The Cortina has always represented no-nonsense family transport. The MkI and Mk II models, like Wagon Wheels, may well be smaller than you remember them, their interior space being put to shame by a current Fiesta. The 109bhp Lotus Cortina still has the capacity to entertain and the 1600E is a handsome devil.
