From Etymology To Pragmatics Metaphorical
Sweetser shows that both lexical polysemy and pragmatic ambiguity are shaped by our metaphorical folk understanding of epistemic processes and of speech interaction. Similar regularities can be shown to structure the contrast between root, epistemic and 'speech-act' uses of modal verbs, multiple uses of conjunctions and conditionals, and certain processes of historical change observed in Indo ...

From Etymology to Pragmatics - Cambridge Core
Etymology, which features so prominently in the present title, plays a minor role in the content of the book and the same can be said with respect to 'cultural aspects'. Pragmatics also plays at most a subsidiary role in the book. It is semantics and metaphorical processes that constitute the main focus of the book.
