The women’s liberation movement (WLM) was a political alignment of women and feminist intellectualism that emerged in the late 1960s and continued into the 1980s primarily in the industrialized nations of the Western world, which effected great change (political, intellectual, cultural) throughout the world.

### Women’s liberation movement - Wikipedia

Sure, we have new terms thrown into the mix, such as intersectionality, the woke culture, and identity politics – but it is the same old Marxist mindset and the same old hatred of the West. They still want to see the West destroyed and taken down – just as they are doing on a smaller scale with statues.
