General Chemistry Raymond Chang 6th

I am currently a chemistry student. I am not a fan of Chang as he is very dry however I found his fourth edition to be absolutely wonderful. I have been able to use this book since the beginning and still find it useful now that I am way pass the general chemistry classes. His other books are very dry but not this one.

WebAssign - General Chemistry: The Essential Concepts 6th ...

The sixth edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course.

Chemistry, Sixth Edition: Raymond Chang: 9780076119516 ...

The sixth edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course. It strikes a balance between theory and application by incorporating real-world examples; helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity; and developing problem-solving and critical thinking skills.
