Hate Crimes In Cyber Space

"Danielle Citron's Hate Crimes in Cyberspace is a breakthrough book. It has been compared, and with good reason, to Catherine MacKinnon's Sexual Harassment of Working Women. The book makes three major contributions. All are central to furthering the equality of women and men both in cyberspace and elsewhere.

Hate Crimes in Cyberspace | Danielle Citron

Despite the title, the book is not just about hate crimes but is more broadly about hate crimes, harassment, stalking, privacy violations, defamation, etc in an online context. The strongest argument of this book is that we need to take these crimes as seriously online as off. Not more seriously, not less, but as seriously.

Hate crimes in cyberspace (Book, 2014) [WorldCat.org]

Lecture and Panel Discussion with Prof. Danielle Citron In a society that has become attached to its social media, how do we balance the freedom of speech with the growing dangers of cyberstalking and cyber threats? The author of the award-winning book, "Hate Crimes in Cyberspace," Citron, will address that challenge. She will then be joined by social media and free speech
