wats on the G level test and how to pass it for kumon ...

Kumon doesn't 'teach' children how to achieve success on the 11+ exams. However, it does help them develop the skills needed to tackle them. For example, comprehension, working under timed conditions, good stamina, speed and accuracy, an ability to think deeply and address advanced work.

About Kumon - The Good, The Bad and The Ugly

Most people stop Kumon there, but there is still the option to continue with your Kumon studies and finish off the X levels as well (which I am a definite advocate of). But you're still considered a "completor" even if you haven't done all of the X levels. If you don't pass the level O test, nothing bad happens.

How is Kumon Different from School Math? - Kumon

I just started kumon im on level D right now. Everything is really easy because i'm in high school and the things i've been doing are like elementary school stuff. So im just wondering, how do they let you pass a level? Do you have to write a test between D and E or do you just go automatically from D to E if you did all the work from that level?

2020 Kumon Prices | How Much Does Kumon Cost? // Tutors.com

Kumon started for half a century ago because of the love of a father for his son. ... There will be reading and math test for the franchise applicant and he or she needs to pass that in order to proceed with the application process. An interview will be conducted for the franchise applicant.

Kumon, a look at the pluses and minuses.

The funny and shocking thing about this is that each trainee is provided with an unlimited amount of opportunities to pass. This means that you can have a kumon center instructor teaching your child with no formal educational or teaching qualifications in addition to not yet having passed the kumon reading and math tests.
