Student solutions manual : Inorganic chemistry, fourth ...

This book is a fantastic approach for Inorganic Chemistry! Far from the usual descriptive inorganic chemistry found in other books, Huheey's work is a complete and thorough guide to undergraduate students; it explains important subjects which are left out in other works. The chapters about bonding are specially well written and have good information that can be well understood by chemistry ...

How to download Huheey solution manual for free - Quora

Got this textbook for my Inorganic lab class. It's an alright book, but there are many errors and it seems like the authors ramble on in some places and don't explain things too well. It may be easier to use for people who have a better understanding of inorganic chemistry, but I found it kind of difficult to follow.
