The sixth edition of An Introduction to Project Management has been completely updated to follow the Project Management Institute's PMBOK® Guide – Sixth Edition (2017). It includes several new figures, a new section on the PMI talent triangle and the importance of leadership skills, and a new section on an agile approach to project planning.

Introduction to Medical-Surgical Nursing, 6e 6th Edition ...

We approached human services as a profession that continues to grow and develop. Our goals remain the same for this sixth edition of An Introduction to Human Services, but we have revised the book in ways that we believe improve it. Our revisions are based upon the feedback we received from faculty and students during the review process.

The Introduction to International Political Economy (6th Edition) is the textbook we use in my course "The Global Economy" at NYU. This is a wonderful book, packed full of very useful and current information. It covers the early development of globalization, the Global Recession that hit in 2007, the Obama Administration, and more.
