Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Book summary: Ignorance: How It Drives Science - The Need ...

— Stuart Firestein, *Ignorance: How It Drives Science* “In other words, scientists don't concentrate on what they know, which is considerable but also miniscule, but rather on what they don't know. The one big fact is that science traffics in ignorance, cultivates it, and is driven by it.”

Ignorance: How It Drives Science by Stuart Firestein ...

For between true Science, and erroneous Doctrines, Ignorance is in the middle. Naturall sense and imagination, are not subject to absurdity. Nature it selfe cannot erre: and as men abound in copiousnesses of language; so they become more wise, or more mad than ordinary.

Ignorance How It Drives Science

That's the eloquently argued case at the heart of Ignorance: How It Drives Science, in which Stuart Firestein sets out to debunk the popular idea that knowledge follows ignorance, demonstrating instead that it's the other way around and, in the process, laying out a powerful manifesto for getting the public engaged with science - a public to whom, as Neil deGrasse Tyson recently reminded Senate, the government is accountable in making the very decisions that shape the course of science."
