Political Sociology 1415 SYLL - Villanova University

Political Sociology studies the relationship between society and politics, and can be seen as the intersection of political science and sociology. It is that branch of sociology which is concerned

Introduction to Political Sociology

Get Free Introduction To Political Sociology **outline**

Political sociology lies at the intersection of the politics of sociology and the sociology of politics. In this introductory course we trace the changing parameters of this intersection in three successive periods since the Second World War. Our narrative of the politics of sociology begins with the political sociology of the 1950s which

INTRODUCTION TO
POLITICAL
SOCIOLOGY

As a discipline, political sociology is at the intersection of sociology and political science: It addresses issues related to politics, similarly to political science.

However, it differs from political science in a variety of ways.
