Hubbard & O'Brien keeps it real in the third edition with updated examples, data, and end-of-chapter problems, providing the most up-to-date discussion on the recession/financial crisis and the monetary and fiscal policy response. Hubbard & O'Brien is the only book that motivates students to learn economics through real business examples.

Common Sense Economics | What everyone should know

about ...

This is a very low-level introductory textbook on economics. It assumes no prior background and is written to be accessible to a general audience. Most college students should have no trouble reading and understanding this book. The coverage of topics is pretty broad, and the book covers both macro- and micro-economics.
