participation of people in addition to the artist or art collective. In participatory art people referred to as citizens, regular folks, community members, or non-artists interact with professional artists to create the works. Each of these three projects is emblematic of a very different approach to participatory art. Three Modes of Participation.

## **Participatory Aesthetics: The Function of Imagination ...**

Participatory art is an approach to making art which engages public participation in the creative process, letting them become co-authors, editors, and observers of the work. This type of art is incomplete without viewers' physical interaction. It intends to challenge the dominant form of making art in the West, in which a small class of professional artists make the art while the public takes on the role of passive observer or consumer, i.e., buying the work of the professionals in the marketplace
