The first step is to go to make sure you're logged into your Google Account and go to Google Books at books.google.com.

Screen Resolution Comparison: 720p VS 1080p VS 4K VS 8K

This is because the resolution of an image you see on your screen also depends on the resolution the content you are viewing was recorded in. Therefore, if a video was recorded in 1080p but you have a 4K monitor, the highest resolution you could watch that video in would be 1080p.
