## **Everyday Multiculturalism: Transversal Crossings and ...**

While urban dimensions of landscapes and the physical environment are often regarded as built structures that relate to functionality in modern life, cities are also sites of human experience that comprise social relationships, memories, emotions, and how they are negotiated on an everyday basis.

## **Sensuous Geographies and Other Installations: Interfacing ...**

Abstract. This chapter is based upon a research project entitled 'Contact Zones' that explored what I have termed 'everyday multiculturalism, or 'multiculturalism from below'. 1 The project focused on quotidian modes of intercultural crossing in culturally diverse localities. It aimed to identify points of affinity and disjuncture in order to better understand how, where, and why ...
