Extras, the final book in the Uglies series, is set a couple of years after the "mind-rain", a few earth-shattering months in which the whole world woke up.The cure has spread from city to city, and the pretty regime that kept humanity in a state of bubbleheadedness has ended. Boundless human creativity, new technologies, and old dangers have been unleashed upon the world.

### Uglies - Wikipedia

This is the third of Scott Westerfeld's Uglies trilogy. Tally, our 16 year old protagonist, has become what she hated and feared in both Uglies and Pretties-she's part of Special Circumstances. This appeals to her for a number of reasons: she lives in the wild, has super physical powers, a close bunch of friends (the Crims she joined in Pretties) and she can operate outside the law, which she now helps to enforce.
