Studies in Hysteria - Sigmund Freud - Google Books

One of 15 volumes in the Sigmund Freud series, this work presents accounts of case histories of hysterics and three theoretical essays on hysteria. About the Author. Sigmund Freud was born in 1856 and died in exile in London in 1939. As a writer and doctor he remains one of the informing voices of the twentieth century.

Studies in Hysteria (Penguin Classics): Sigmund Freud ...

Aesthetic Hysteria Book Summary : Aesthetic Hysteria is a deconstructive psychoanalytic study of hysteria, using literary texts to foreground a telling encounter between two growing discourses within English studies: that of emotion/affect and trauma studies. It brings together several academic foci - the history of medicine, aesthetic theory, speech act theory, feminism, and gender and performance studies.
