More than anything, "Take Me to the River" is a mood piece. At that, it's very successful. With America's red-state/blue-state dichotomy as his dramatic basis, Sobel deftly sketches a family situation that's all awkwardness and puzzlement, partly hidden, of course, by the miens of forced cheerfulness that families feel obliged to don on such occasions.

Take Me to the River cages you into an eerie and uncomfortable atmosphere which doesn't really reveal what's going on under the surface. Dirty, disturbing and unpredictable, Take Me to The River is probably the smartest indie film I've seen all year. It uses its minimal setting to create a claustrophobic web of secrets.
