Book Review: The 9 Steps to Financial Freedom

Most Americans consider retirement age to be 65, or somewhere in that ballpark. Early retirement might be considered 55 - 60. Yet, there are plenty of people in their 30's and 40's (and sometimes even younger) who are able to achieve financial independence. Reaching financial independence doesn't necessarily mean that these people are completely retired from all work (although that can be the ...
