Feminist theology is a significant movement within contemporary theology. The aim of this Companion is to give an outline of feminist theology through an analysis of its overall shape and its major themes, so that both its place in and its contributions to the present changing theological landscape may be discerned. The two sections of the volume are designed to provide a comprehensive and ...

### **the cambridge companion to feminist theology cambridge ...**

the cambridge companion to feminist literary theory Feminism has dramatically influenced the way literary texts are read, taught, and evaluated. Feminist literary theory has deliberately transgressed traditional boundaries between literature, philosophy, and the social sciences in order to understand how gender has been constructed and represented through language.

I highly recommend the Companion as an essential addition for anyone working or teaching in feminist philosophy.' Women's Philosophy Review 'It is an excellent volume of essays.' Hypatia "The Cambridge Companion to Feminism in Philosophy is first-rate."

**The Cambridge Companion to  
Feminist Literary Theory**

Perhaps the major irony of the Cambridge Companion is that the articles can be read as critiques of each other (particularly Gross's of the rest of the text). In a book where the authors raise so many concerns about diversity and multiculturalism as a central, defining theme in feminist theology, most of the articles are written from the point of view of white women whose primary focus is on ...
