### **Decorative Art | Fine Art America**

The exact meaning of "decorative arts" is less important today, now that the narrow, elitist concept of fine art has been superceded by the wider classification of visual art. Furthermore, several modern forms of decorative work involving interior/fashion design, graphics, or computers, are known as "design" disciplines rather than decorative art.

## **The Decorative Art of Today (PDF)**

Today, the word “art” is often associated with genres like drawing, painting, and sculpture. However, in addition to these subgroups (collectively referred to as “fine art”), there exists another important art form: decorative art. Comprising crafts that pair form with function, decorative art has played a pivotal role in the history of art, whether materializing as ancient wares ...
