Book Summary: The ONE Thing by Gary Keller | Sam Thomas Davies

What is the One Thing you need to know about great leading? When you study truly effective leaders, the first thing that strikes you is just how different they are. I could use any number of examples from today's business world, but instead, think back to the first four presidents of the United States.

M&A: The One Thing You Need to Get Right

The one thing that you need to do when pursuing an expired listing is care more about them and their family than you do about yourself and getting the listing. They aren't looking for another salesperson - they need a trusted advisor to listen to their needs, then simply and effectively explain their options.
