1991, this book systematically explores the crucial turning points in the Cold War on all of its diverse fronts. The simplistic U.S. vs. Soviet analysis can obscure the fact that this war was fought by blocs of nations and in various regions around the world.

The Regional Cold Wars In

Acces PDF The Regional Cold Wars In Europe

The term "cold" is used because there was no large-scale fighting directly between the two superpowers, but they each supported major regional conflicts known as proxy wars.

The conflict was based around the ideological and geopolitical struggle for global influence by the two powers, following their temporary alliance and victory against Nazi Germany in 1945. [1]
