Social Life of Small Urban Spaces (1980) - IMDb

Although Whyte's Social Life of Small Urban Spaces was first published in 1980, this book doesn't feel dated at all, reading it some 30 years later. (The exception is the appendix with Whyte's tips on conducting time lapse filming).

(1988), and A Time of War: Remembering Guadalcanal, a Battle Without Maps (2000). He died in 1999.

Social Life | Psychology Today

The Social Life of Public Spaces. Whyte wrote that the social life in public spaces contributes fundamentally to the quality of life of individuals and society as a whole. He believed that we have a moral responsibility to create physical places that facilitate civic engagement and community interaction.

William "Holly" Whyte in His Own Words, "The Social Life of Small Urban Spaces" (1980)

Understanding Social Life. Human beings are social animals, and the tenor of our social life is one of the most important influences on our mental health. Without positive, durable relationships, both our minds and our bodies fall apart. We begin life dependent for survival on the quality of our relationship with our primary caregiver, usually Mom.
