Dr. David Lake came up with the concept of tapping on the finger points using the thumb of the same hand. Basically you tap on all of the fingers using the thumb of the same hand going up and down as many times as you like. This is a very user-friendly version of tapping, because it is very discreet and can be used in public places easily.

The Three Only Things Quotes by Robert Moss

The Tapping point is in the same location for each finger and each thumb. On the index finger (IF), tap on the side of the finger that is closest to the thumb, even with the base of the nail. Once you have located that one, you can find the similar MF (middle finger), BF (baby finger), and Th (thumb) points on each hand.
