Orange is SIMPLE. It’s a STRATEGY. It starts with two individual influences in a child’s life: Alone, these two work hard to ensure that every child has a. But when they’re COMBINED, the home and church will have a. And that is... ORANGE. We like talking about Orange. It’s kind of a big deal to our team.

### Think Orange - Gospel Publishing

The church leaders who think Orange make radical changes so they can Engage parents in an integrated strategy Synchronize the home and church around a clear message Provoke parents and kids to fight for their relationship with each other Recruit mentors to become partners with families Mobilize the next generation to be the church When you think Orange, you rethink the way you do ministry for children and teenagers.

### Think Orange: Imagine the Impact When Church and Family ...

In Think Orange, Joiner makes the case for churches and families to work together to lead their children spiritually, then continues in the text to give various methodologies and strategies for forming an “Orange” merger of the church with the family for a more powerful ministry to kids (10-11).

### Login - Think Orange

Reggie Joiner, CEO of the ReThink Group, outlines this approach to ministry in his book Think Orange: Imagine the Impact When Church and Family Collide.... The idea is that both of these forces are powerful; both of them are vital for the spiritual formation of children and students, but they are much more potent when they are combined, when they work together.

### Tommy Knighten » Book Review: Think Orange, by Reggie Joiner

One thing that I did notice from this book is that it uses a very simplistic orange secondary color and red and yellow primary colors make orange, which pops and stands out, etc. My problem is, no matter who you say this to, unless they are “inside the club” they are not going to get what you say when you say, let’s make church orange.
